SSBM is the first residential Business and Media school of **Bihar**. SSBM is a move initiated by the Surendra Hemant Education & Social Welfare Society for imparting various vocational and professional courses. The objective of SSBM is not just to award degrees to its alumni but to expose them to the tough aspects of their perspective profession. The college wants to harness the hidden potential of its apprentices and create them into a guiding force of their respective profession's.

The college has got associations with the top industry and media professionals who are a guiding force in their respected professions. The institution prioritizes the development of our state by exposing our associate students to the hassles and work pattern of the local professionals.

The degrees awarded by SSBM are from the Government approved Universities as well as the UGC and the Department of Education under Ministry of H.R.D. All the courses are regular courses and hence the students are eligible to the posts and services of the state and the central Govt.

## *Benefits @ SSBM*

The college provides benefits to the economically challenged and Minority sections of the society upon the presentation of the required Certificates.

These students belonging to any respective masters program as well as Bachelors won't be charged more than a lakh Rs for the whole duration of the courses in the form of tuition fees.
